CYNGOR CYMUNED LLANGYNNWR LLANGUNNOR COMMUNITY COUNCIL

2. **Arrangements for Xmas 2020:** The clerk pointed out to the committee that issues raised by Cllr. Lee Whatley and Cllr. Sandra Thomas should be considered whilst discussing the matters below:
- a) Arrangements for Y Babell after light ‘switch-on’ – following a lengthy discussion it was unanimously agreed (minute **0620 – 2a**) that the offer by Cllr. Thomas to ‘arrange’ the food for the evening to be taken up (other members of the committee to help). Consideration of asking an ‘outside’ group to do the food was also suggested but not supported. However, it was also agreed that there was great uncertainty whether the actual ‘switch-on’ would take place with current Covid 19 restrictions, a meeting would be called in September to review the situation.
 - b) Tree at Morrisons – following a lengthy discussion when the issues regarding i) the views of local residents with regard to the council providing a tree for a business; ii) how other businesses were responding to the Council providing this tree; iii) the work done by Morrisons’ to provide the power etc to the tree were all considered it was unanimously agreed (**minute 0620-2b**) that the Council cease to provide the tree at this location, the clerk to write to Morrisons explaining the situation and highlighting the Council’s thanks to Morrisons for their co-operation in the past and that this decision was no reflection on them but was mainly due to the community’s perception and the Council hopes that this close working relationship continued in the future. Cllr. Dafydd Williams asked that lights provided by Morrisons to the Council be returned, this was agreed. At the beginning of this item Cllr. Dafydd Williams was asked whether he should declare an interest, he stated that he did not think it was necessary.
 - c) The clerk would discuss with the Town Council whether any further lights were required to be purchased this year.
 - d) The clerk had informed CCC that the electric pillar at Towy Garage needed to be inspected following some issues in 2019, he would follow this up.
 - e) The Clerk informed the Council that he had made some enquiries with Blanchare regarding lights to be hung on the lampposts surrounding Tywi Garage roundabout. He reminded the Committee that this would be dependent on permission from CCC, he would send the details to the appropriate officer this week to gain this permission.
The clerk outlined the details he had received from Blanchare:
 - a) Option 1 – The Council to purchase the individual items and ask the Town Council to put them up and store them – approx. cost of items £1,800.
 - b) Option 2 – The Council to hire the items, the company would deliver and pick up the items, but the Town Council would put them up – 3 year hire costs incl. delivery/pick up £1200/per year.
 - c) Option 3 – The Council to hire the items with the company delivering/ putting up / taking down – 3 year hire cost £3,100/per year.Although no formal vote was taken members indicated that option 1 would be the most favourable.

3. **Next meeting** – in September, unless Chair thought an earlier one was required.

Meeting closed 6.25p.m.
