### Minutes of Finance Committee of Llangunnor Community Council held "remotely"

### at 6.30p.m. on Thursday 26th January 2023

**PRESENT**: Councillors E. Williams (Chair), S. Thomas, G P Bevan, J Slate, L Whatley, with Cllr C Evans observing.

One elector presents in addition to Howard Davies Clerk.

- 1. APOLOGIES. None
- 2. **DECLARATION OF INTEREST**. None
- 3. Minutes: Unanimously resolved to approve as a correct record the minutes of the finance committee held on 14<sup>th</sup> December 2022 (Minute 123 F3).
- 4. The clerk circulated the document Budget Proposals for 23/24 (Appendix 3) it was unanimously moved to accept the proposals (Minute 0123-F4) It was further agreed that any capital expenditure proposed would need to be prioritised given the present period of austerity and fed into The Council 5 years development plan which is currently under consideration.

Financial Report for 3rd quarter ended 31.12.22: the clerk had circulated appropriate paperwork to the committee, following a discussion and questioning of the clerk it was unanimously agreed (Minute 122 F4b)

5. The clerk had previously explained that the expected estimated running costs for the Council in 2023/24 would be £42765 to maintain its services at the present level. (Please see Appendix 3 attached). These costs had been based on previous years costs with an allowance built in for inflationary rises, and allowed for no capital expenditure. It was also projected that the Council would have Reserves of £52236 as at 1.4.23. That said with the existing Precept set at £33000 this would see a shortfall of £9765 which would have to be covered from reserves, and this was not sustainable. The clerk had also ascertained from our records, and local knowledge that the Precept was set at a level of £36000 some 10 years ago, and had subsequently been reduced

downwards due to levels of cash reserves held, and at that time there were 200 less properties within the Llangunnor area. Following the clerks detailed explanation a robust and lengthy discussion followed, as all Councillors acknowledged that the Precept needed to rise to cover costs, and to maintain services.

### The following proposals were voted on:

Cllrs Slate and Thomas having initially proposed an increase to £40000, revised their proposal to £39000, which was seconded.

Cllrs Williams & Bevan having initially proposed a stepped increase to £36000 this year, with further increase in the following years to fund the deficit, revised their proposals to £38000, which was seconded.

Cllr Whatley proposed £33000 which was not seconded, and as such did not proceed.

A vote was taken with Cllrs Slate and Thomas voting for increasing the Precept to £39000, with Cllrs Williams and Bevan voting for increasing the Precept to £38000 with Cllr Whatley choosing to vote against both.

Due to the closeness of the vote, with each proposal gaining two votes Cllr Williams using his casting vote agreed to the proposal of increasing the Precept to £38000 which was carried. (Minute 0123-F5)

6. The appointment of an internal Auditor for the ensuing financial year was discussed, with Cllrs Whatley and Slate both suggesting that we approach three local Accountancy firms for their quotes to undertake this work, in the spirit of ensuring value for money and competitiveness as this work had not been put out to tender for some years. (Minute 0123 F6)

Action point: Clerk to source quotes from three Carmarthen based Accountants.

- 7. There was no other business to discuss.
- **8.** Date of next meeting –to be arranged by clerk. Meeting Closed 8.30 p.m.

Signed as a true record

**Date** 

### Appendix 1

#### SUMMARY OF CURRENT FINANCIAL POSITION

Following the bank reconciliation extracted from the cash book for 2021/22 the cash position as at 1.4.22 is as follows:

Bank Reserves Barclays Bank £ 64,948

Income: Precept £33,000 Vat to be Rec Est £ 2500

TOTAL £100,448

Predicted expenditure.

(As per report 19.01.22 £78,595

Difference £21,853 (Predicted balance as at 31.3.23).

There is £12391 remaining on the \$106 monies of which £5360 has been allocated for the installation of 2 streetlamps at Ger Y Nant path.

Within the 22/23 there is 30k of which budgeted for the improvement to the "Kiddies area, 5k on the installation of CCTV, and 5k towards the cost of tidying the bottom boundary area between the skateboard park and the Lewis Morris Entrance, incorporating landscaping, tree coppicing, and replanting with shrubs, flowers, and some trees to create a naturally friendly family area. Spending on these projects will be carefully evaluated on an individual basis over the coming 12 months, where some but maybe not all will be progressed, within this time frame, but staggered over a longer period. Availability of grant funding to be explored to help with the cost of installing CCT, and to carry out landscaping works where initial discussions have been held with Rachael Carter, Places for Nature Officer with One Voice Wales.

Howard Davies (April 2022.)
