Consultation Start Date: 17/05/2023

Consultation End Date: **07/06/2023**

Llangunnor Community Council have no issues with the rebuilding of the facility, provided that the necessary consultations are undertaken with the appropriate internal and external organisations.

However, we still have major concerns over the safety of lorries leaving the site and crossing the dual carriage way to turn right. We continue to receive complaints about large articulated vehicles exiting the site and turning right, which is contrary to company policy, and poses a heightened risk of a serious accident occurring.
